

**Because I want to honor God and love Him wholeheartedly, I commit to God, my family, and my (future) children to maintain and live by the highest Biblical standard of purity in this generation.**

**Therefore, I commit...**

1. I commit to remain sexually pure until the day of my wedding.
2. to refuse participation in any conversations that promote or joke about immorality.
3. to have an accountability partner and confess to this same trusted friend if I view pornography or have any sexual contact outside of marriage.
4. to register with technology that promotes the wisdom and safety of technology whether or not I struggle with pornography.
5. to show the fruit of repentance that, if I should stumble, I will go with my trusted friend and confess my sin to a leader in my life.
6. (for accountability friend) to hold any confession of failure in sexual immorality in strict confidence.
7. (for accountability friend) to share with leadership if my friend repeatedly stumbles in immorality.
